Measures

Student retention, transfer, graduation, and transfer graduation up to 16 terms after entry.

Breakouts/Filters/Dill-downs

Fall and Spring entering cohorts

Measure student status (retained, transfer, graduated, transfer graduated) as of the beginning or end of a specific trading term)

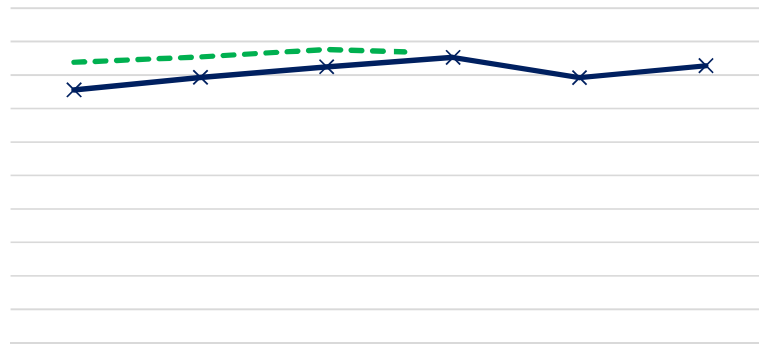

Dill-downs/ breakouts age, gender, underrepresented student of color, first generation, admission category, student load (full-time, part-time)

Comparison Groups

Allows for comparison to other system institutions and to totals for all Minnesota State colleges and universities

Updated/refreshed twice per year, generally November and April

Measures and analyses are the same as above for the Student Persistence and Completion Reporting Tool, with the addition of Pell eligible and first generation status
Breakout/dill-down variables can be cross combined with each other for intersectional analysis
Comparing groups are limited to system totals for colleges and universities
